

The Churches of
North Mundham & Hunston

Children - your views matter.

We need a new Vicar because... Rev. May has been guided by God to a new parish.

We are trusting that God will send a new vicar to us.

These are a few little questions so that we know what you think. We are asking lots of other people too. This is just if **you** would like to say something. If you want not to answer any question that is absolutely fine. If you need help please ask Mum or Dad and they will be very happy to write for you.

- 1 What do you think a Vicar does?
- 2 What do you think the new Vicar should be like?
- 3 How can the new Vicar make church even better for children?
- 4 How can the new Vicar help children to know more about God?

Please return to Liz Malan or Joyce Jones.
